## PERSONALISED ELF LETTER SET

£1

What a blast, we've  
but sadly now I've go  
the day has come to  
and to the North Pol  
fly.

You might miss me, b  
I'll be back with you

I've missed you this year but I'm back  
to play, I'll be staying with you until  
Christmas day.

love

*Elfis*

Don't forget - you can't touch me or  
my magic I'll lose...and I'll try not to  
get into trouble while you snooze.

I'll be reporting to Santa each night,  
and hope there will only be kindness in  
sight.

Love

*Elfis*
